

ECHOES

MESSAGE FROM DIRECTOR

As we wrap up a wonderful year, I'm pleased to reflect on the highlights of December. Our Annual Function, themed "Magic of Dreams," was a spectacular showcase of imagination, talent, and teamwork. It was heartwarming to see our students perform with such confidence and creativity, turning their dreams into reality on stage.

As we now step into the winter season, may this time bring warmth, joy, and togetherness for all. We look forward to welcoming our students back with renewed energy in the New Year.

DR. ASHIMA GOYAL

- Baffled- Confused
- Felicity- Intense happiness
- Placid- Calm & Peaceful

UPCOMING ACTIVITIES

- Kite decoration competition for Makar sankranti
- Handmade paper flower competition in tri- colour
- Collage making competition for 26th January

“PREPARING TO TURN DREAMS INTO REALITY”

As the year ends, we step into one of the most exciting moments at our school — the Annual Function! This year’s theme, “Magic of Dreams,” celebrates the power of imagination and the beauty of believing in possibilities. Our students have been working with great enthusiasm to bring their dreams to life on stage. Each performance reflects creativity, confidence, and the spirit of Vidhyanjali.

TEACHER’S CORNER

Smart TVs are changing how students learn by making lessons more interactive and visually engaging. With large, vibrant displays, they bring multimedia content—such as videos, animations, and educational apps—to life, helping students understand complex ideas more easily. The touchscreen capabilities encourage hands-on participation, fostering collaboration and active learning among peers. Quick access to online resources allows for flexible and diverse teaching methods, catering to different learning styles. Overall, Smart TVs create a dynamic classroom environment that motivates students and enhances their learning experience.

MS. ARPITA SHARMA

BIRTHDAY CELEBRATION IN KINDERGARTEN

"December brought warmth and cheer to Vidhyanjali Academy with a delightful birthday celebration for our young learners." Our Kindergarten students celebrated with smiles, songs, and sweet treats, making wonderful memories together. These moments of celebration not only bring happiness but also strengthen bonds of friendship and belonging among our young learners. It was a delightful way to end the year with cheer and togetherness!

ANNUAL FUNCTION 2024

“MAGIC OF DREAMS”

The Annual Function 2024, held under the guidance of Director Dr. Ashima Goyal and Principal Ms. Neelima Chaurasiya, beautifully showcased the theme "The Magic of Dreams." Students from all classes performed with enthusiasm, exploring diverse sub-themes such as Dreams of Fantasy, Infinite Dreams, The Dreamer's Dream, Wings of Imagination, and many more. Each performance highlighted the creativity, confidence, and passion of our young learners. From imaginative tales to inspiring narratives, the event truly celebrated the limitless power of dreams. It was a magical evening that left the audience inspired and proud of the budding talent on stage.

SPORTS & PHYSICAL ACTIVITY

BOUNCING INTO DECEMBER WITH BASKETBALL FUN!

At Vidhyanjali Academy, sports are an important part of everyday learning. In December, our students had a great time playing basketball during their games and P.E. sessions. Playing together on the court helps children stay healthy, active, and full of energy.

Basketball also teaches important values like teamwork, sharing, and staying positive—even when things get challenging. Our students enjoy every moment on the court, cheering each other on and learning through play.

We believe that physical activity helps build confidence and strong bodies—and most importantly, it's fun!

INSPIRATIONAL QUOTE OF THE MONTH

"The stage is not just a place for performance—it's where confidence is built, dreams are expressed, and memories are made."

 **December at Vidhyanjali Academy is a time to celebrate the incredible talent and teamwork of our students during the Annual Function. As they take the stage with pride and enthusiasm, they not only entertain but also grow in confidence and creativity.**

DID YOU KNOW? (FUN FACTS) – DECEMBER EDITION

History Fact:

The first artificial Christmas tree was made in Germany in the 1800s—out of goose feathers dyed green! Today, artificial trees are used in millions of homes around the world.

Weather Fact:

No two snowflakes are exactly the same! Each one forms in a unique shape based on temperature and humidity as it falls through the air.

Science Fact:

Your body burns more calories in winter just to stay warm! That's why you might feel hungrier when it's cold—your body needs extra energy.

Holiday Fun Fact:

In some European countries, it's traditional to put an orange in children's stockings. This sweet fruit was once a rare treat during winter!

STUDENT'S CORNER

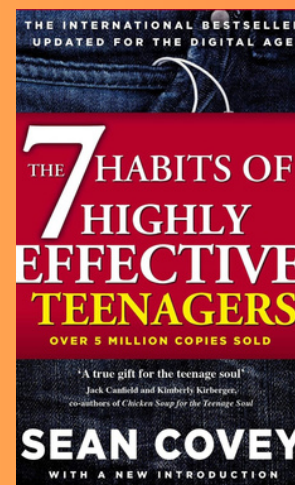

I chose to draw Kedarnath Temple because it represents not only a remarkable piece of architecture but also a deep spiritual connection for millions of people. Located in the lap of the Himalayas, its presence reflects strength, devotion, and resilience—especially after surviving the devastating floods of 2013. As I sketched the temple, I found myself more connected to its history and cultural significance. This experience reminded me how art can bring us closer to our roots and help us appreciate the heritage that defines our identity.

— Parth Kachhawa, Class X

“BOOKS RECOMMENDATIONS”

"The 7 Habits of Highly Effective Teens" by Sean Covey is an insightful and practical book aimed at helping teenagers build essential skills for success. It teaches habits such as taking initiative, setting clear goals, managing time effectively, and thinking positively. Using relatable stories and humor, the book encourages teens to develop self-confidence, improve relationships, and make responsible decisions. It empowers young readers to overcome challenges and take charge of their personal and academic growth.

GRATITUDE TO PARENTS

We wholeheartedly thank our wonderful parents for your unwavering support and enthusiasm throughout November. Your active involvement and encouragement made Airport Day, the English Rhyme Competition, and the lively Bal Mela truly special. Together, we are fostering curiosity, creativity, and a strong sense of community in our students. Your partnership is invaluable in nurturing their growth and joy.
